Tuesday is Tax Day in the House of Representatives

If you have not done so already, please contact your state representative and urge them to vote to retain the sales tax passed last year. The sales tax passed last year is one of the major funding sources for the new ten-year transportation plan. Beginning in fiscal year 2014, 0.4 of a cent of the one penny increase is earmarked to support the transportation plan. Without that funding most of the new projects will not be built and it will be increasingly difficult to maintain current levels of maintenance for our existing roads, highways and bridges. Governor Brownback has said he does NOT support repeal of the sales tax increase because it would increase the size of the FY 2012 deficit by more than \$350 million.

Call your state representative and ask to speak with them or to leave them this simple message:

- Identify yourself by name and that you are a constituent
- The sales tax is critical to funding the new comprehensive transportation plan
- The transportation plan will create thousands of jobs and generate millions of dollars of private sector economic activity in the state each year
- The new transportation projects are essential to transporting Kansas products and services, and ensuring safe and efficient highways
- Without the sales tax passed in 2010 the benefits of the new transportation program will never be achieved

Ask your state representative how they plan to vote on the sales tax repeal. If they say they don't know ask them to contact you when they have made a decision how they will vote.

It is critically important you call. PLEASE CALL YOU REPRESENTATIVE and urge them to vote against repeal of the sales tax increase passed last year.
