| 11. Adjournment                                    | Kowach   |

Kelly (Hovey) Farlow is not a member, but doing a lot of work with this group. She is on distribution list, doublecheck if she should be added to each Agenda and make sure name changed from Hovey to FARLOW.

Judy, KDOT has done some reorganizing. For the October agenda, instead of "Bureau of Design" update, we should call it "Division of Engineering and Design" update.
