

WHAT IS THE COUNTY PIA?

The American Council of Engineering Companies of Kansas County Public Improvement Awards (PIA) competition recognizes engineering projects, not for their engineering excellence, but for their benefit to the citizens of the community. Judges are asked to use this criteria when ranking the entries. This is an unusual approach, as most engineering awards recognize their excellence in engineering.

WHY SHOULD YOUR COUNTY ENTER?

The Public Improvement Awards offer your county an excellent opportunity to gain well-deserved recognition for your county's public improvement projects. A representative from each of the winning counties will receive an engraved plaque at the Kansas Association of Counties Annual Conference in November to commemorate the achievement. Your community will also receive public relations benefits by entering this competition.

WHEN SHOULD YOU ENTER?

Now! Visit with your appropriate county personnel, review your community projects, and submit your application as soon as possible. Applications must be in the ACEC of Kansas office before the close of business on September 1, 2018.

COUNTY PUBLIC IMPROVEMENT AWARDS

SPONSORED BY

**AMERICAN COUNCIL OF ENGINEERING
COMPANIES OF KANSAS**

IN COOPERATION WITH THE

KANSAS ASSOCIATION OF COUNTIES

RULES OF THE AMERICAN COUNCIL OF ENGINEERING COMPANIES OF KANSAS COUNTY PUBLIC IMPROVEMENT AWARDS

1. Awards will be made according to population. One award is made in each of the following categories:
 1. Under 10,000
 2. 10,000 and above
2. Projects to be considered must have been substantially completed between July 1, 2017 and June 30, 2018.
3. Any construction project which involved PUBLIC funds will be eligible.
4. **PLEASE NOTE:** In keeping with our mission to promote the use of Qualifications Based Selection (QBS) in selection of professional design services, entries must have been procured using a pure QBS system. Any requirement to submit costs or hours (actual or estimated) prior to final selection will render a project ineligible. A copy of the original project request for qualifications must be submitted with the application. If hired directly under a sole source relationship, please indicate this in lieu of the copy of the request for qualifications. **Entries that do not contain documentation or confirmation of a pure QBS procurement process will not be considered.**
5. Contribution of the project to the county and community will be of great importance.
6. Size and cost of the project will not be the determining factors in selecting winners.
7. Pictures of the completed project will be of great assistance to the judges.
8. Mailing size should not exceed a 12" X 15½" envelope.
9. Only one copy is needed.
10. Applications or any questions should be directed to American Council of Engineering Companies of Kansas, 825 S. Kansas Avenue, Suite 500, Topeka, KS 66612. (785) 357-1824
11. Applications must be in the ACEC of Kansas office before the close of business on September 1, 2018.

WINNERS TO BE ANNOUNCED AT THE KANSAS ASSOCIATION OF COUNTIES ANNUAL CONFERENCE
OCTOBER 16TH 2018
