Member, TRB

Dave's responsibilities consist of managing PEC Transportation Divisions in Kansas and Oklahoma including being heavily involved with project management, client contact and marketing.

More than 30 years of experience with PEC.

### Personal Information:

Born in Hutchinson, KS. Wichita resident since 1970, Graduated from Wichita NW HS. With family farming in the Little River, KS area he spent much of his youth working on the farm and enjoying the outdoors. Today he fortunately has family that still farms in the area which allows time for the occasionally trip to get out of the city and climb on a combine or tractor for a few hours.

Dave married his wife Janet in 1990. They have four children, Lisa 31, John 28, Ryan 23, Thomas 22, and five grandchildren, Caleb 8, Ellie 6, Will 4, Tessa 10 months and Tegan, 9-1/2 months.

While Dave does not have a hunting dog anymore, he does have a wiener dog named Pepper that pretty much rules the roost. In his spare time Dave enjoys spending time with his family, golfing, hunting, fishing, camping, farming, and house remodeling.
