**Robert A. "Bob" Koopman, PE**

### **Professional:**

1981-1985: Engineering – Iowa State University

1986-1987: Monument Valley Engineers, Colorado Springs, Colorado

1987-1991: Springfield Engineers/Donald D. Ricketts, Woodbridge, Virginia

1991-Present: White Martin/PEC, Topeka, Kansas

I am a Principal with Professional Engineering Consultants (PEC) in the Topeka, Kansas office. I manage the Municipal Teams in the Topeka and Lawrence offices, and I work on a variety of Municipal type projects primarily in the water/wastewater/stormwater arenas. I also work on a variety of site development projects, including many on the University of Kansas campus. I am a member of AWWA, KWEA, and KSPE. I am the current Topeka Chapter V.P. of KSPE.

### **Personal:**

I married my high school and college sweetheart, Maureen, in 1985. We have two children: Nicole who is 25 and in a doctoral program at St. Louis University; and Jared who is 16 and a junior at Topeka High. I enjoy jogging and getting exercise at the gym about 3 times/week, and my wife and I enjoy going to the Topeka Civic Theatre with friends each month. I am active in the Knights of Columbus with my church.
