Mr. Joshua Sales is a Project Manager for Kennedy/Jenks Consultants in Mission, Kansas. He graduated from the Missouri University of Science and Technology (University of Missouri-Rolla) with a degree in Geological Engineering. After graduation, he worked for URS Corporation in Omaha, Nebraska, for four years focusing on Army Ammunition Plant remediation projects and groundwater modeling. In 2004, he moved to Kansas City and began working with Kennedy/Jenks Consultants. At Kennedy/Jenks, he has a wide variety of experience in environmental projects including investigations, remediation, and facilities engineering for primarily railroad clients. He is a Licensed Geologist in the State of Kansas, a Professional Geologist in Nebraska, a Registered Geologist in the State of Missouri and a Certified Groundwater Professional in the State of Iowa.

Mr. Sales has been married to his wife, Chris, for eleven years and has two wonderful children, Chloe (4) and Miles (1), as well as two dogs (Cocoa and Java). He enjoys running several races a year, including marathons, working around the house on one of the several concurrent projects that he has undertaken, and spending time with his family.
