Kimberly Sumrak grew up in Orland Park, IL, a southwest suburb of Chicago. After graduating with a B.S. in Civil Engineering from the University of Iowa in 2007, she trained with the United States Army as a Heavy Equipment Operator. After completion of her initial training, Kim spent 3.5 years at the Iowa Department of Transportation as a Road Designer. Kim gained experience on civil, transportation, ADA compliance, traffic control specifications, and Federal Highway Administration projects. Kim moved to Kansas in 2012 where she joined Kaw Valley Engineering in Junction City, Kansas. Kim recently obtained her Kansas P.E. license in June of 2014. In her spare time, Kim likes to watch movies, participate on an Olympic-Style Weight-Lifting team, and chase her 11-month old son, Neil.
