Mr. McGown is a Senior Chemical Engineer with Burns & McDonnell located in Wichita, KS. He has B.S. and M.S. degrees in Chemical Engineering from Kansas State University and is a licensed Professional Engineer. Ty has worked on both water supply and wastewater projects, specializing in membrane treatment, advanced oxidation processes, chemical feed systems, construction oversight, and facility operations.

Ty lives in Mulvane, KS with his girlfriend Jamie, her two daughters Morgan and Abbie, and their two dogs Millie and Annie. In his free time, Ty enjoys a wide range of hobbies. Ty is an avid outdoorsman, spending most of the winter in a duck blind or chasing pheasants in central Kansas. In addition, Ty is a long-time musician and comes from a very musical family. Ty enjoys playing 8 different instruments and listening to a wide variety of music including classical, blues, punk, ska, indie and, of course, 90s alternative music.
