justin.owens@wilsonco.com

I graduated from Kansas State University in May 2005 with a B.S. in Civil Engineering. I have worked for Wilson & Company for 10 years in our Transportation Division. My primary focus has been the management and design of highways and streets for state and municipal clients. I am a member of ACEC, KSPE, and Toastmasters International.

I am originally from Chapman, KS and currently live in Salina, KS. My wife, Jessica, and I have been married for 12 years and have 2 daughters: Catelynn, age 7 and Lila, age 4. In my spare time I enjoy golfing, home improvement projects, spending time with the family, and watching sports: GO KSU, CHIEFS, AND ROYALS!
