ACEC of Kansas

No. 12 March 30, 2018

825 S Kansas Ave, Suite 500 Topeka, KS 66612 Phone (785)357-1824 Fax (785)233-2206 email [scott@acecks.org](mailto:scott@acecks.org)

It was a very busy week for the Legislature, with the majority of time spent on the floor of each chamber working bills. Budget and school finance continue to dominate the attention of policy makers. Each chamber pushed forward bills (SB 422 and HB 2445) with drafts of their K-12 funding plans. There will be much discussion of those in conference committee next week.

There is some great news on the water infrastructure front, at least prospectively, in that the Senate's budget bill currently has a transfer of \$2.5 million from the state general fund to the state water plan fund. Similar language/amount is also included in the prospective House budget. There is no guarantee this will survive the full budget process, but it's great news as a starting point for the two chambers to work through their budgets in conference committee.

On another positive infrastructure note, SB 352 passed the Senate 40-0 Wednesday and includes changes that will result in over \$100 million in additional funds for the state transportation fund. Much like the proposed water appropriation, this could change between now and adjournment, but it's a good starting point for conference committee discussions.

One additional item that will be hashed out in conference committee in the coming days is the creation of a task force to study and make recommendations on a new state transportation program. The Senate passed SB 285 and the House passed H Sub for SB 391, both creating task forces, but with different parameters for participants. ACEC Kansas prefers SB 285, which ensures ACEC Kansas will have a seat on the task force.

Next week will be almost exclusively devoted to conference committee work heading towards April 6 first adjournment. Stay tuned....
