

MINUTES  
ACEC/AIA/OFPM/OSFM PARTNERING  
NOVEMBER 12, 2016  
TOPEKA, KANSAS

Present were Brad Austin, Nelda Henning, Doug Everhart, Cory Wilson, Frank Burnam, Tom Orazem, Randy Riveland, Gary Nevius, Matt Casey, John Krudwig, and Scott Heidner.

**It was moved and seconded to approve the minutes of the March 8, 2016 meeting. Motion carried.**

Burnam and Riveland gave an OFPM update. They have moved to 700 SW Harrison, Suite 1200. They have posted changes to building codes in July. They had a heavy project review load this summer, but that has lessened in recent months. Emporia State has a new dormitory with a budget of about \$18 million, and the project will post to the Kansas Register soon.

Humphrey gave an AIA update. They had their Annual Conference in October. Nevius was honored with AIA's highest award at the conference. They will have a new leadership team starting January 1.

Heidner gave an ACEC update. KC Rising is undertaking an effort to promote the profile of the design industry in Kansas City. ACEC continues efforts to advance the use of QBS by owners.

Humphrey and Heidner led a discussion of legislative issues. There will be 50 new legislators in the 2017 session. They discussed potential issues with licensing, procurement, alternative delivery systems, potential professional service taxes, and funding.

Austin gave an update on Kan-Struct. It will be February 2-3 in Wichita. AGC is leading the planning. ACEC is participating again, AIA is not. Other stakeholder groups have joined the conference.

Nelda Henning is the Board of Regents designee for the committee.

Brad Austin was named the Chair for 2017. Dave Dunfield is the Vice Chair.

The next meeting was scheduled for February 8 at 3pm at the ACEC Kansas office.

There being no further business, the meeting was adjourned.
