Sean is originally from Texas and has lived in Kansas since 1987. He attended Wichita Public Schools and graduated from Wichita Heights High School. Sean went on to attend Wichita State University where he graduated with a BS in Mechanical Engineering in 2002. While at WSU Sean was involved in the student ASHRAE chapter as well as being a Wallace Engineering Scholar. After WSU Sean attended Southwestern College in Winfield and received his Master of Business Administration (MBA) degree in 2004. Sean worked for Wilson & Company Engineers & Architects in Wichita from 1994 thru 2002. During his time at Wilson & Company he worked on hundreds of projects in all disciplines of engineering including architectural, structural, mechanical, electrical, civil and environmental. His chief roles at Wilson included drafting and structural engineering design. In 2002 after graduating college Sean went to work for Blosser-Smith Engineering in Newton, KS working as a design mechanical engineer on small to medium sized HVAC/Plumbing projects. After a year there he migrated over to MKEC Engineering Consultants, Inc. in Wichita where he is still presently employed. In 2008 Sean became a partner/owner at MKEC and currently helps lead the company's commercial mechanical division. Sean is a Project Manager/Design Engineer overseeing a group of intern engineers and technicians working on small to large commercial HVAC/Piping/Plumbing projects. Sean also holds the role of BIM Manager for the company helping manage and oversee BIM implementation in all departments. Sean is a LEED Accredited Professional and is an active member of the USGBC, ASHE, NSPE, Building SmartAlliance and ASHRAE. Sean is the current Treasurer of the Wichita Chapter of ASHRAE and sits on the National BIM Standards and CAD Standards Committees. Sean was the recipient of the 2010 WSPE and KSPE Outstanding Young Engineer of the Year Awards. Sean holds professional engineering licenses in Kansas, Arkansas, Florida, Ohio, North Carolina, and West Virginia.

Away from work Sean is married to Piper, his wife of 14 years. The couple reside in Valley Center, KS with their three children Chase, Abby & Chance. Sean and his family are active within their church. Sean sits on the building committee and has helped design and oversee many recent facility upgrades including a 17,000 square foot addition to the church school. Sean is also heavily involved in Science Olympiad helping to run events at the regional, state and National levels for the last 14 years. Beyond that Sean enjoys spending time with his wife, playing with the kids, home improvement projects, and his extremely large comic book and toy collection.
